Private & confidential. This document is an invitation to explore franchise participation only — it is not an offer of securities, a deposit scheme, or an investment product, and it does not promise or assure any return. All projections are illustrative assumptions, not commitments. Franchise fee for the current season: ₹3 Cr (metro tier); the fee base increases 10% each season.

1 · Why a BCPL Franchise

BCPL is a professional Twenty-20 cricket league for working professionals. Registration for the league is pan-India and digital-first: players register online, submit performance videos, and progress through a two-phase selection funnel into city trials and the franchise player auction.

□ Your company's name on the team

The franchise may be named after the owner's company (subject to league brand guidelines) — every match, jersey, scorecard and broadcast carries your corporate brand.

□ A pure corporate audience

League participants are working professionals — a high-value, hard-to-reach audience for B2B and consumer brands alike.

□ Consent-based participant insights

Franchises receive aggregated, consent-based engagement insights about participants connected to their team, and co-branded communication opportunities through official league channels — always within applicable Indian data-protection law (DPDP Act, 2023).

□ Three revenue streams

A 25% central revenue pool shared across franchises: (1) player registration & Phase-2 fees, (2) league sponsorship, and (3) central media income once broadcast turns revenue-positive.

2 · Investment Structure

ITEM	AMOUNT	NOTES
Bid registration fee	₹2,00,000	One-time, non-refundable, per applicant — payable to enter the bid process (covers evaluation & processing), whether or not a franchise is allotted.
Franchise fee — Metro tier	₹3 Cr	Current-season base. The league franchise fee base increases by 10% every season — joining earlier locks a lower base. Where 10 or more qualified applicants register, allotment is by bid & auction.
Franchise fee — Tier-2 city	₹2 Cr	
Franchise fee — Premium metro	₹5 Cr	

Eligibility: clean legal & financial background, KYC of the applicant entity and its promoters, and source-of-funds verification are mandatory. The league's decision on allotment is final.

3 · The Revenue-Sharing Model

25% of the league's central revenue pool is distributed equally among the 10 franchises each season. The pool has three components:

① **Player registration & Phase-2 fees**

Phase-1 registration: ₹299 (standard roles) / ₹399 (all-rounder). Phase-2 (trial & auction eligibility): ₹2,000 / ₹3,000. All figures in this document use fee amounts **net of 18% GST** and a 50:50 role mix (blended Phase-1 ≈ ₹296, Phase-2 ≈ ₹2,119 net per player).

② **League sponsorship**

Central league sponsorship (title, associate and partner sponsors). Illustrative trajectory: ₹3 Cr → ₹5 Cr → ₹6 Cr → ₹7 Cr → ₹8 Cr over five seasons.

③ **Central media income (from Year 4)**

In early seasons the league invests in broadcast distribution (a league cost — not charged to franchises). Once broadcast turns revenue-positive — assumed from Season 9 — 25% of central media income also flows into the same franchise pool.

4 · Season 6 — Phase-2 Conversion Scenarios

Assuming **2,00,000 Phase-1 registrations** in Season 6 and ₹3 Cr league sponsorship, per-team share at different Phase-2 conversion rates:

PHASE-2 CONVERSION	PHASE-2 REVENUE (NET)	CENTRAL REVENUE*	25% FRANCHISE POOL	PER TEAM (÷ 10)
10%	₹4.24 Cr	₹13.15 Cr	₹3.29 Cr	₹0.33 Cr
20%	₹8.47 Cr	₹17.39 Cr	₹4.35 Cr	₹0.43 Cr
30% base case	₹12.71 Cr	₹21.63 Cr	₹5.41 Cr	₹0.54 Cr
40%	₹16.95 Cr	₹25.86 Cr	₹6.47 Cr	₹0.65 Cr
50%	₹21.19 Cr	₹30.10 Cr	₹7.53 Cr	₹0.75 Cr
60%	₹25.42 Cr	₹34.34 Cr	₹8.58 Cr	₹0.86 Cr
70%	₹29.66 Cr	₹38.58 Cr	₹9.64 Cr	₹0.96 Cr

*Central revenue = Phase-1 (₹5.92 Cr net) + Phase-2 + sponsorship (₹3 Cr). Media income is nil in Season 6.

5 · Five-Season Illustrative Growth Outlook

Base-case assumptions: registrations grow 2 → 3 → 5 → 8 → 10 lakh; 30% Phase-2 conversion; sponsorship ₹3/5/6/7/8 Cr; central media income from Season 9.

Per-team revenue share (₹ Cr, illustrative)

SEASON	REGISTRATIONS	PHASE-1 (NET)	PHASE-2 (NET, 30%)	SPONSORSHIP	MEDIA	CENTRAL REVENUE	PER-TEAM SHARE
Season 6 Year 1	2,00,000	₹5.92 Cr	₹12.71 Cr	₹3 Cr	—	₹21.63 Cr	₹0.54 Cr
Season 7 Year 2	3,00,000	₹8.87 Cr	₹19.07 Cr	₹5 Cr	—	₹32.94 Cr	₹0.82 Cr
Season 8 Year 3	5,00,000	₹14.79 Cr	₹31.78 Cr	₹6 Cr	—	₹52.57 Cr	₹1.31 Cr
Season 9 Year 4	8,00,000	₹23.66 Cr	₹50.85 Cr	₹7 Cr	₹1 Cr	₹82.51 Cr	₹2.06 Cr
Season 10 Year 5	10,00,000	₹29.58 Cr	₹63.56 Cr	₹8 Cr	₹2 Cr	₹103.14 Cr	₹2.58 Cr

6 · Illustrative Franchise P&L (Metro tier, ₹3 Cr one-time fee)

Assumes ₹0.75 Cr per season for squad (auction purse) and team operations. Cumulative position includes the one-time ₹3 Cr franchise fee paid at entry.

SEASON	REVENUE SHARE	SQUAD + OPERATIONS	SEASON NET	CUMULATIVE POSITION
Season 6 (Year 1)	₹0.54 Cr	₹0.75 Cr	−₹0.21 Cr	−₹3.21 Cr
Season 7 (Year 2)	₹0.82 Cr	₹0.75 Cr	+₹0.07 Cr	−₹3.14 Cr
Season 8 (Year 3)	₹1.31 Cr	₹0.75 Cr	+₹0.56 Cr	−₹2.57 Cr
Season 9 (Year 4)	₹2.06 Cr	₹0.75 Cr	+₹1.31 Cr	−₹1.26 Cr
Season 10 (Year 5)	₹2.58 Cr	₹0.75 Cr	+₹1.83 Cr	+₹0.57 Cr

The illustrative base case shows initial seasons in deficit, with the cumulative position approaching break-even around Year 4–5 as registrations, sponsorship and media income scale. **Actual results depend entirely on actual registrations, conversion, sponsorship and costs, and may be materially lower or higher. Nothing in this outlook is a promise, forecast or assurance of any income or return.**
